**Submission Directory Structure & Flow Task1.1**
Task 1.1: Ant Bot

TASK 1.1 Submission Directory Structure

Note:

1. Replace **<TeamID>** with your **eYRC-2018 Team ID**. For example, if your team ID is **1001**, then the main folder to be zipped should be named **1001_Task1.1**.
2. Compress this folder to a **.zip** extension and upload it in the submission for **Task1.1** on the **e-Yantra portal** before the deadline for Task1.1.
3. The naming conventions of the files within the **"Images"** and **"Code"** folders have been described in **Task1.1** document within the **"3. Task_Description"** folder. **Please follow this nomenclature!**
